Print patterns at 100%

Pattern is already reversed. Trim on dotted line after piecing.

Start with a 16" square of fabric and a 14" embroidery hoop.
Transfer design to center of fabric using your preferred method.
Embroider all lines with three strands black floss and a back stitch,
with the exception of the spider's body.
Trace the body onto freezer paper and use template to cut body from felt.
Applique body onto finished embroidery with a blanket stitch.
After embroidering and pressing, trim to 6.5" wide x 9.5" tall.
Join to finished and trimmed block with a 1/2" seam. Quilt and bind as desired.
Finished mug rug measures approx. 9" x 12".
