

Creativity in Bloom Stitchery

Back stitch for all stitching except leaf veins which are fly stitch, and dots on "i"s which are French knots.

Use three strands of following DMC colors:

- flower pot: 3857
- leaf outline: 937
- leaf veins: 469
- sunflower center: 801
- sunflower petals: 3829 and 301

Stitchery measures 8" x 10" (allowing for extra space around the design).

Stitching instructions can be found on DMC's website [here](#).
