Materials:

- National Nonwovens WoolFelt Dreamcatcher color series. Use any combination of the colors; see cover photo for some options:
 - Color #1 -- 6" x 9" piece, 6" x 6.5" piece, and two 1" x 6" strips
 - Color #2 -- Two 1" x 6" strips
 - Accent color #1 -- 4" x 3.5" piece
 - Accent color #2 -- 2" square
 - Accent color #3 -- 1" square
- DMC Six-Strand Embroidery Floss to match and contrast your felts (use three strands at a time).
- Large-eyed chenille needle, straight pins, scissors, freezer paper, pen or pencil, glue stick (optional), ruler rotary cutter, iron and pressing cloth, sewing machine, all-purpose thread to match felt color #1 or color #2.

Instructions:

- Trace all symbol pattern pieces onto freezer paper and cut out.
- To use the freezer paper templates, place them shiny side down on the WoolFelt. Set the iron to the wool setting with no steam; the iron must be dry. Iron the freezer paper onto the WoolFelt, pressing down for a few seconds until the freezer paper sticks.
- Cut the symbol pattern pieces from the accent colors.
- If desired, use the glue stick to adhere smaller applique pieces before stitching. See figure for assembly guide.
- With matching floss, blanket stitch symbol piece #1 to the center of symbol piece #2.
- With floss matching symbol piece #2, blanket stitch the assembled squares (turned 45 degrees to resemble a diamond) to the center of symbol piece #3.
- With matching floss, blanket stitch the assembled symbol to the center of the 6" x 6.5" rectangle.
- With a 1/4" seam on your sewing machine, attach the 1" strips (color #2) to the ends of the rectangle.

- With a 1/4" seam on you sewing machine, attach the 1" strips (color #1) to the outside of the attached strips. You will now have a 1/2" contrasting stripe on each end of the mug blanket.
- On back, press seams open with warm iron on the wool setting.
- Layer 6" x 9" rectangle behind assembled mug blanket top. Pin securely. If necessary, trim the ends to fit your mug blanket top.
- With contrasting floss, blanket stitch around entire edge.
