Materials:

- WoolFelt scraps (pre-washed or as-is):
 - Two 6" squares Honey Mustard WoolFelt for each mug rug.
 - Two 3" x 5" rectangles Honey Mustard WoolFelt for each gift tag ornament.
 - Two 1.5" x 2.5" scraps Grassy Meadows WoolFelt for holly leaves, for each mug rug or ornament.
- DMC six-strand embroidery floss No. 833 (use three strands for all stitching).
- Three 2" squares red cotton fabric for holly berries, for each mug rug or ornament.
- Clover Quick Yo-Yo Maker - Extra Small.
- Thread to match red cotton fabric.
- 10" piece ribbon or cording for each gift tag ornament.
- Freezer paper, pen, scissors, iron and ironing surface, crewel needle.

Instructions:

- Trace all pattern pieces onto freezer paper and cut out.
- To use the freezer paper templates, place them shiny side down on the WoolFelt. Set the iron to the wool setting with no steam; the iron must be dry. Iron the freezer paper onto the WoolFelt, pressing down for a few seconds until the freezer paper sticks.
- Cut pieces from WoolFelt and cotton fabric as indicated on the pattern.
- Following the manufacturer's instructions, use the Clover Yo-Yo Maker to make three extra-small yo-yos from the cotton fabric, (for each project).

- Using the finished photos as guides, position the holly leaves as shown on the gift tag ornament, or the mug rug. Stitch using the 833 floss and a fly stitch.

Fly Stitch

- Attach the yo-yos with the matching thread, but sewing through the centers several times. Use the finished photos for positioning.
- With the 833 floss and blanket stitch, attach the backing piece to the gift tag ornament or mug rug.

Blanket Stitch

- Add the cording or ribbon to the gift tag ornament for hanging.
